

Document link inspection sample

Original learning sample. It demonstrates references, not purchased placements or measured SEO results.

Sample revision: 2026-10-27

Google: supported file formats

External reference to the documentation used when reviewing PDF indexability.

<https://developers.google.com/search/docs/crawling-indexing/indexable-file-types>

Publisher-quality review guide

Internal navigation to another guide on this website; not an earned external backlink.

<https://starbacklink.com/blog/backlink-quality>

Printed address without an authored annotation

<https://archive.example/notes>

Some viewers may auto-link this text. That is separate from a link authored into the file. The example domain is not a destination to submit to.

Inspect the exported document

1. Select and copy a sentence.
2. Inspect the two authored URI actions.
3. Compare the labels with the final destinations.
4. Record the viewer and date of your check.
